Dear Mr Csapo

Transformers Masterpiece Megatron Toy

We refer to your letter of 17 May 2007 addressed to the Commissioner of Police and advise that Commissioner Moroney has requested the Firearms Registry reply to you on his behalf.

We confirm that Australian Customs has classified the Transformers Masterpiece Megatron Toy as a replica firearm as per Item 3.2 of the *Weapons Prohibition Regulation 1999* and to enable possession you would normally have to make application for a Prohibited Weapons Collectors Permit.

However, we note the points raised in your letter regarding the collectable nature of the Transformers series, particularly the Megatron, and advise that we will be forwarding a copy of the information you supplied to the Ministry for Police for a policy decision on this item.

Once we are in receipt of the Ministry's decision regarding the Transformers Masterpiece Megatron Toy we will advise you accordingly.

Yours sincerely,

C J Capper
